Dear Madam,

#### LETTER OF APPOINTMENT EDITOR / REVIEWER

The Board of Directors of the Institute of Mathematics and Management (IMM) are immensely pleased to appoint you as a member of the editorial board and reviewer panel of Journals and Conferences of the IMM.

A reviewer's comment decides the acceptance or rejection of an article so they play an important role in the peer-review process. All the members are requested to test out the articles submitted to them without any bias to increase the quality of our journals/ conferences. While verifying the article, you have to go through the following points:

- Detailed examination and relevance of the article as per author guidelines.
- Careful examination of the purposes and objectives of the work carried out.
- The correctness of the conclusions and recommendations along with up-to-date references.
- Copyediting and proofreading of the manuscripts in accordance with publishing standards especially with grammar, punctuation, and spelling.
- Coverage areas of the manuscript in relevance with the scopes of journals.
- Plagiarism related issues if any.

## RESEARCH ACTIVITIES 2017 - 22

Being on the editorial board or a reviewer is truly productive, pleasant, and in fact, prestigious which helps in add-on to the scientific world through the ways and guidelines given by experts in the relevant fields. Though it is time-consuming and often goes unobserved, there are some important rewards that make the editorial board members/reviewers worthwhile. You will be entitled following benefits while working with us as an editorial board member/reviewer of the journals and conferences;

- You are enforced to read carefully various manuscripts in your area of importance and interest. This is the way you are routinely forced to keep yourself up-to-date while checking and suggesting the changes in the manuscript.
- This work helps to add in and provides a better way to create your identity as a well-known expert in your field and may lead to increased invitations to speak at conferences or demand for invited research of your specialized area.
- You will be among the contributors who will shape and decide the urgent ways as required with changing societal needs.
- Your ideas and subject inputs may help in arranging special issues as per topics of your interest and choice.
- You will come across the latest research before everyone else and gives you a position of leadership in your research community.
- The editorial board members/reviewers or someone introduced by them enjoy a 10% discount in participating in our conferences.

We congratulate you again on your appointment and involvement in IMM publications and events.

Dr. (Mrs). W.G. Samanthi Konarasinghe  
Editor in Chief
